RE:Committee C00569517
24 Hour Notice Filed 9/21/2016 - Disregard Notice

This statement operates as notification to the public and the Commission that the 24 Hour Notice Filed on 9/21/2016 (Filing FEC ID FEC-1100946) was filed in error. The transactions reported in duplicate were originally reported on 5/25/2016 (Filing FEC ID FEC-1074527). The filing of the original 24 Hour Notice was timely and no changes have been made to the notice since it was originally filed. The total Calendar Year to Date Per Election for Office Sought as of the filing of the original 24 Hour Notice on 5/25/2016 (\$118413.92) remains the same. The total Calendar Year to Date Per Election for Office Sought for all independent expenditures for the California House Seat 24 Primary Election (\$286101.60) remains the same as reported on the final 24 Hour Notice related to this election, filed on 6/1/2016 (Filing FEC ID FEC-1075450).

The 24 Hour Notice filed 9/21/2016 was filed in error due to a user error when administering the FEC Filing software. The report filed in error was mistakenly highlighted for filing by upload instead of intended filing.

Please disregard the 24 Hour Notice filed on 9/21/2016 (Filing FEC ID FEC-1100946) referencing transactions related to the California Primary Election as no additional funds have been expended. Contemporaneously with the filing of this statement, and amended 24 Hour Notice is being filed to reflect \$0.00 additional dollars spent on the election. See instead the original filing for the independent expenditure filed 5/25/2016 (Filing FEC ID FEC-1074527).

Please do not hesitate to contact me if you have any questions or need additional information regarding this notification.

Sincerely,
Luke McAlpin
Treasurer
